R-Class

Mercedes-Benz

Some things in life are worth a closer look

If you're the owner of a Mercedes-Benz R-Class, there is a good chance that you appreciate, perhaps more than most, the value of products that combine the best attributes of both form and function. The R-Class exemplifies this concept, with its powerful motors, performance-oriented handling and extraordinarily versatile interior - all superbly integrated in a beautiful rendition of contemporary Mercedes-Benz design.

Genuine Mercedes-Benz Accessories follow this concept. All accessories are engineered to the same uncompromising technical, reliability and appearance specifications we commit to deliver on everything bearing the Three-Pointed Star. Whether it be a dazzling aluminum alloy wheel, an integrated vehicle interface for your iPod®, or a cargo management product, you are assured that accessories from Mercedes-Benz will meet your expectations for quality, performance and design.

With this brochure we invite you to take a closer look at the wide range of automotive and personal accessories developed for the R-Class, available to you exclusively through authorized Mercedes-Benz dealers.

Genuine Mercedes-Benz Accessories for the R-Class

You have probably chosen to drive the R-Class because it combines the best attributes of more conventional vehicles, such as the driving characteristics of a nimble luxury passenger car, the sleek styling of a large coupe, and the flexible interior of a sport-utility vehicle. It's unique transportation for unique people living unique lives.

Genuine Mercedes-Benz Accessories compliment each unique R-Class attribute. Our engineers have designed an array of products to personalize the vehicle to your liking. Look at the photo to the left. You will find these ideas all around your R-Class.

For your convenience we have divided this catalog into four parts:

- ▶ **APPEARANCE** leads you to sparkling products to add a personal look to your Mercedes-Benz - inside and outside.
- ▶ **ENTERTAINMENT & COMMUNICATION** connects you with the outer world and keeps you entertained while part of the inner world of your vehicle.
- ▶ **UTILITY & CARE** offers articles to enhance the functionality of your Mercedes-Benz.
- ▶ **THE COLLECTION** provides an assortment of unique products that complement your Mercedes-Benz and your personal lifestyle.

APPEARANCE

Nothing can change your vehicle's appearance quite as dramatically as its wheels. That's why we developed several dynamic wheels that accentuate the distinctive styling of the R-Class. The challenge faced by our design engineers was to combine state-of-the-art technology with expressive designs to create wheels of uncompromising quality and an unmistakable Mercedes-Benz flair. We believe you'll agree that they successfully met their challenge.

Accessory wheels are only for specified tire sizes and may require use of wheel bolts other than those originally supplied with your vehicle. Failure to use proper equipment could result in an accident or vehicle damage. See your authorized Mercedes-Benz dealer for details and installation.

Tele Aid¹

There at the touch of a button.

Tele Aid puts a variety of services at your fingertips with three simple buttons: SOS, the Wrench Button, and the *i*-Button.

SOS Button

In case of an emergency, push the SOS Button for a Tele Aid response specialist who can notify police, paramedics, or other emergency personnel of your vehicle's location. SOS is automatically triggered in the event of an airbag or seat belt emergency tensioning device deployment.

Wrench Button

If you need Mercedes-Benz Roadside Assistance, push the Wrench Button. Service personnel will help you identify the trouble and dispatch Roadside Assistance if necessary.

i-Button

Push the *i*-Button to contact the Customer Assistance Center or be connected to your Mercedes-Benz dealer. You can also reach the Concierge Service or receive Route Assistance and Traffic Information.²

¹ Tele Aid equipment is standard on the R-Class V8 models and optional on V6 models. On equipped vehicles, first year's basic Tele Aid Security and Care package provided at no additional cost. Subscription and acquaintance call required for system to be active. Service operates only where cellular and Global Positioning Satellite system coverage are available.

² Concierge service available only in Tele Aid Luxury & Convenience package. Traffic Information and Route Assistance use included as part of Tele Aid Luxury & Convenience package. Additional per use charge applies when used with Tele Aid Security & Care package. See your dealer for details. Owner must authorize vehicle tracking and provide passcode and a valid stolen vehicle police report number. PIN code required to activate Remote Door Unlock.

**Choose the Tele Aid package
that fits your lifestyle:**

Tele Aid Security & Care¹

You're already driving a very safe car. Now, Tele Aid Security & Care enhances your sense of security by providing emergency notification services, connection to Roadside Assistance, Remote Door Unlock, Stolen Vehicle Recovery, Anti-Theft Alarm Notification, and more. Keep your annual subscription up-to-date and enjoy the peace of mind that comes from knowing you and your family have an added measure of Security & Care.

Tele Aid Luxury & Convenience²

The Tele Aid Luxury & Convenience package builds on the services of Tele Aid Security & Care and adds access to premium services that enhance your in-vehicle experience every time you get into your Mercedes-Benz.² Upgrading to the Tele Aid Luxury & Convenience package is as easy as pressing the *i*-Button and speaking with a Tele Aid response specialist.

- ▶ Personal Concierge acts as your personal assistant on the road. The Concierge Service offers you the gift of time and convenience by fulfilling your requests for nearly "anything, anytime, anywhere"... at the touch of a button.
- ▶ Traffic Information provides up-to-the-minute details on traffic conditions along your route.³
- ▶ Route Assistance connects you to a trained specialist who has the resources to locate and get you to your destination.
- ▶ Online Concierge allows you to access your Personal Concierge via computer from the convenience of your home, office, or anywhere you have Internet access.

³ Traffic information is based on available broadcast data and is not available in all areas. Route Assistance is limited to available digitized map data which does not include all areas or routes within area.

Mercedes-Benz Navigation⁴

More than a map.™

The Mercedes-Benz Navigation System, available as a dealer-installed option even after you take initial delivery of your R-Class, is an in-dash console that combines Global Positioning System (GPS) technology with detailed DVD-based maps to allow you to plan trips, navigate detours, and help prevent you from getting lost. (Vehicle location is determined by the GPS system.)

The system covers more than 4.6 million miles of navigable roads in the 48 contiguous United States, plus Hawaii and Canada.

The Navigation System also offers 1.6 million Points of Interest in 40 categories including ATMs, hotels, airports, hospitals, museums and more.

NavUpdate

Your Mercedes-Benz Navigation System relies upon the navigation disc – a detailed electronic map – to guide you to your destinations and help you find the services and attractions that you need and want in your daily life. But things are constantly changing out there. Roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the information on these navigation discs are updated every year. That is why Mercedes-Benz sells new, updated discs every year to ensure that you always have the most current navigation information available.

⁴ DVD-based system represents the 48 contiguous United States, plus Hawaii (Oahu only) and Canada, on a single DVD. Directional assistance provided only when GPS coverage is available. DVD maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place.

Hands-Free Communication System⁵

Keeping you in touch.

The Mercedes-Benz Hands-Free Communication System incorporates state-of-the-art communications technology with the engineering expertise of Mercedes-Benz. Unlike conventional cell phones, the Hands-Free Communication is seamlessly integrated into your vehicle and engineered, tested and approved by Mercedes-Benz to provide optimum reception and sound quality while helping you keep your eyes on the road and your hands on the wheel.

▶ Instrument Panel Display

Lets you view your phonebook entries and Caller ID with minimal driving distraction.

▶ Audio System Display

Lets you view various data including phonebook entries, dialed numbers, phone status, Caller ID, and text messages.

▶ Steering Wheel Controls

Send, end and answer calls, control volume, or scroll through your phonebook without taking your hands off the wheel.

▶ Multi-Handset Interface (MHI) Cradle

Keeps the handset charged and accommodates a selection of the latest phones.

▶ External Antenna

The system incorporates an external antenna to improve reception for optimal performance.

▶ Microphone

Features noise and echo reduction while being discreetly integrated into your vehicle's interior.

MHI Interface Cradle

The Multi-Handset Interface (MHI) Cradle keeps the handset charged, automatically accesses your phonebook, and is designed to be flexible to accommodate a selection of mobile phones for most major carriers. For a current list of compatible phone models visit www.Wireless4MB.com.

⁵ Always plug the phone into the cradle for use inside the vehicle. Operating a phone or radio transmitter with its own attached or built-in antenna while the engine is running can interfere with the vehicle's electronic systems. For safety reasons, the driver should not use the cellular phone while the vehicle is in motion. We encourage the driver to stop the vehicle in a safe location before answering or placing a call. See your Mercedes-Benz dealer for current handset availability.

Rear-Seat Entertainment System⁶

Being a passenger has never been so entertaining.

Who's riding in your backseat? Your kids' favorite superhero, a dashing leading man, or maybe it's your favorite comedienne? With the Mercedes-Benz Rear-Seat Entertainment System, you can bring along your favorite DVDs and your backseat becomes your own personal movie theater.

Your passengers are entertained and because DVD audio plays over wireless headsets, the driver can concentrate on driving with fewer distractions.

The Mercedes-Benz Entertainment System includes:

- ▶ A state-of-the-art media player that supports movies in DVD format and music in CD, DVD and MP3 formats.
- ▶ A high-resolution 7" LCD color display that conveniently folds away when not in use for additional security.
- ▶ A specially designed, child-friendly remote control featuring a sliding cover that exposes only key buttons such as Play, Pause, Rewind, and Fast forward. Picture quality controls and other advanced user options remain covered.
- ▶ Two high-quality wireless headsets for tangle-free operation and easy storage.
- ▶ Auxiliary jack enables the use of gaming devices (gaming hardware not included).

⁶ Mercedes-Benz recommends that young children be supervised while using the system.

Rear-Seat Entertainment System installation necessitates the removal of the integrated second row passenger cupholders. Ask your dealer for availability of an alternate accessory cupholder.

iPod® Integration⁷

Your music. Your Mercedes-Benz.

Taking your personal music collection with you wherever you go has never been easier. Mercedes-Benz now offers seamless integration of your iPod into the audio system of your R-Class. With an interface that is compatible with any dock-connector equipped iPod device, your iPod is charging even while it is plugged in.

Steering wheel controls and a visual display of the artist and song title make your iPod a perfect fit with your Mercedes-Benz.

Control your iPod via steering wheel buttons:

- ▶ Display of current iPod selection
- ▶ Navigate within the current iPod music menu
- ▶ Volume Control, Select, Fast-Forward, Rewind

⁷ iPod is a registered product of Apple Computer. All iPod devices are sold separately.

CD Changer

Compact and convenient changer for up to 6 CDs. Plays conventional audio CDs and CDs with MP3 format audio files.

1 ▶ Roof Cargo Container, Large [P. 24] | **2** ▶ Roof Rack Basic Carrier [P. 25]

Cool in the summer and warm in the winter, these sheepskin seat inserts are tailored to the front seat to provide an excellent fit and long-term comfort. Set of two. Available in black, grey or beige. | Availability may be initially delayed |

All-Season Floor Mat Set

These custom-designed rubber floor mats are a great way to keep the carpet in your R-Class in top condition. Deep channels trap water, mud and melting snow. Easy to clean. Four mats per set. Set of two for third row also available. Available in black, grey or beige.

UVS-100™ Sunshade

Think of it as SPF 100 for your dashboard. Helps prevent sun damage to the interior while keeping the inside cooler. Practical and durable. Made of reflective fabric laminated to a foam core.

Vehicle Cover

This UV-resistant 3-layer cover helps protect the finish of your R-Class from the elements. Made from breathable Noah® fabric, it combines an excellent fit with durable construction. Lock and cable available separately. | Availability may be initially delayed |

Battery Trickle Charger

For those extended periods when your R-Class has not been used, this charging device will help ensure that your battery is fully energized when you need it.

Cargo Divider Net

Divides the passenger section of your R-Class from the cargo compartment. | Not shown |

Collapsible Shopping Crate

Make your next trip to the market more convenient with this collapsible shopping crate. To save space, it folds flat when not in use. Dimensions folded: 2 x 13 x 18".

Cargo Cover

Shields the interior of the cargo section from prying eyes. Available in charcoal, ash and stone.

Cargo Area Tray

Protect the floor of your trunk with this durable, easy-to-clean plastic insert with 2" sides. Formed to perfectly fit the rear cargo area of the R-Class.

Rear Net/Side Net/Floor Net

Versatile and convenient, these strong and durable nylon nets help you to secure objects in the back of your R-Class. Rear net may be attached to either the loading sill or third-row seat. Each net is sold separately.

Mercedes-Benz Car Care

Maintain and protect your investment.

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories.
