ENTERTAINMENT  
& COMMUNICATION

# Mercedes-Benz

Enhances your in-vehicle experience.

▶ Mercedes-Benz offers a suite of innovative communication and entertainment systems designed to enhance and personalize your in-vehicle experience. Navigation, Hands-Free Communication System and Tele Aid packages including features like Stolen Vehicle Recovery, Personal Concierge, and Automatic Collision Notification are just some of what Mercedes-Benz offers.

So, what matters most to you? Perhaps it's an extra measure of security, or an interest in efficiency tools that let you be more productive during your drive time. Or maybe you would just like an added sense of luxury.

For security, for efficiency, for luxury... Mercedes-Benz can cater to your unique lifestyle.

# Interfaces for Hands-Free Communication System<sup>3</sup>

Keeping you in touch.

- ▶ The Mercedes-Benz Hands-Free Communication System incorporates state-of-the-art communications technology with the engineering expertise of Mercedes-Benz.

Unlike conventional cell phones, the Hands-Free Communication System is seamlessly integrated into your vehicle and engineered, tested, and approved by Mercedes-Benz to provide optimum reception and sound quality while helping you keep your eyes on the road and your hands on the wheel.

The Hands-Free Communication System is part of every Mercedes-Benz S-Class. And we offer two ways to take advantage of it based on your lifestyle and how you use your mobile phone...

## MHI Interface Cradle

With the Multi-Handset Interface (MHI) Cradle, your phone is stored securely out of the way, it is continually charged so you never have to worry about a depleted battery in the car, and it links to an external antenna to provide the best possible reception when placing or receiving a phone call.

There are MHI Cradles available to accommodate a selection of popular mobile phones for most major carriers.

## Bluetooth Interface Module

With Bluetooth technology your phone connects wirelessly with the Hands-Free Communication System. Bluetooth supports hands-free audio and limited call handling functions. Since the phone is not connected in a cradle, battery charging and use of an external antenna are not possible but you can keep your phone on your belt, in your purse... wherever it's convenient.

*Regardless of the option that you choose for the Hands-Free Communication System, the experts at Auto Wireless Solutions can help you choose the right phone for your lifestyle and for your S-Class. For a current list of compatible phone models, visit AWS at [www.Wireless4MB.com](http://www.Wireless4MB.com).*

auto **Wireless**  
SOLUTIONS

<sup>3</sup> Always plug the phone into the cradle for use inside the vehicle or use the Bluetooth interface. Otherwise operating a phone or radio transmitter with its own attached or built-in antenna while the engine is running can interfere with the vehicle's electronic systems. For safety reasons, the driver should not use the cellular phone while the vehicle is in motion. We encourage the driver to stop the vehicle in a safe location before answering or placing a call. See your Mercedes-Benz dealer for current handset availability.

# Tele Aid<sup>4</sup>

There at the touch of a button.

## ► Nobody knows your S-Class better than... your S-Class.

From the first time you set eyes on it or get behind the wheel it's evident that your S-Class is elegant, athletic and charismatic. But did you know it's also intelligent?

Your Mercedes-Benz S-Class Tele Care system monitors<sup>5</sup> the maintenance needs of your vehicle and communicates that information back to your preferred dealership to let them know when it's time for a service call. We, in turn, notify you. You can change your preferred dealership at any time by notifying the Tele Aid Response Center.

You get unprecedented peace of mind knowing that your S-Class is keeping a watchful eye on its maintenance needs and our reputation for providing an automotive experience unlike any other.

*Tele Aid<sup>4</sup> puts a variety of services at system subscriber's fingertips with three simple buttons: SOS, the Wrench Button, and the i-Button.*

### ***i-Button***

*Push the i-Button to contact the Customer Assistance Center or to be connected to your Mercedes-Benz dealer. You can also reach the Concierge Service, and receive Route Assistance, Traffic Information, Point Of Interest and Destination Downloads.<sup>6</sup>*

<sup>4</sup> Tele Aid equipment is standard on all S-Class vehicles. The first year's basic Tele Aid Security & Care package is provided at no additional cost. Subscription and acquaintance call required for system to be active. Service operates only where cellular and Global Positioning Satellite System coverage is available.

<sup>5</sup> System subscription needed.

# Tele Aid Subscription

Choose the Tele Aid package that fits your lifestyle:

## Tele Aid Security & Care<sup>4</sup>

You're already driving a very safe car. Now, Tele Aid Security & Care enhances your sense of security by providing emergency notification services, connection to Roadside Assistance, Remote Door Lock and Unlock, Stolen Vehicle Recovery, i-Operators Manual, Anti-Theft Alarm Notification, and more.

Keep your annual subscription up to date and enjoy the peace of mind that comes from knowing you and your family have an added measure of Security & Care. With an active Tele Aid subscription, you may be eligible for a discount from your insurance provider.<sup>7</sup>

### Wrench Button

*If you need Mercedes-Benz Roadside Assistance, push the Wrench Button. Service personnel will help you identify the trouble and dispatch Roadside Assistance if necessary.*

### SOS Button

*In case of an emergency, push the SOS Button for a Tele Aid Response Specialist who can notify police, paramedics, or other emergency personnel of your vehicle's location. SOS is automatically triggered in the event of an airbag or seat belt emergency tensioning device deployment.*

## Tele Aid Luxury & Convenience<sup>6</sup>

The Tele Aid Luxury & Convenience package builds on Tele Aid Security & Care and adds premium services that enhance your in-vehicle experience every time you get into your Mercedes-Benz.<sup>6</sup>

Upgrading to the Tele Aid Luxury & Convenience package is as easy as pressing the i-Button and speaking with a Tele Aid Response Specialist.

► Personal Concierge acts as your personal assistant on the road. The Concierge Service offers you the gift of time and convenience by fulfilling your requests for nearly anything, anytime, anywhere... at the touch of a button. You can also use the Online Concierge via your computer or PDA from anywhere you have Internet access.

► Enhanced Traffic Information provides full metro traffic reports for the area within 30 miles of your location, metro street traffic, programmable radius traffic, details on traffic conditions along your route, and more.<sup>8</sup>

► Route Assistance connects you to a trained specialist who has the resources to help you reach your destination.

► Point Of Interest and Destination Download allow you to access over 10,000,000 Points Of Interest and destinations nationwide. If you know the address of your destination, a Tele Aid Response Specialist can download the information to your navigation system. Or if you are unsure of where you wish to travel, you can ask for Points Of Interest near your location. Once the destination information is downloaded, the vehicle's navigation system generates a route or gives you the option to save this information to your navigation system memory for later use.

<sup>6</sup> Concierge service available only in Tele Aid Luxury & Convenience package. Traffic Information, Point Of Interest Download, Destination Download, and Route Assistance use is included as part of Tele Aid Luxury & Convenience package at an additional cost, and are available at an additional per use charge when used with Tele Aid Security & Care package. See your dealer for details. Owner must authorize vehicle tracking by providing passcode and a valid stolen vehicle police report number. PIN code required to activate Remote Door Lock and Unlock.

<sup>7</sup> Many insurance carriers offer comprehensive premium reduction for Mercedes-Benz vehicles with an active Tele Aid subscription. Check with your insurance carrier to see if you qualify for an insurance premium discount. Rates and eligibility may vary.

<sup>8</sup> Traffic information is available in over 100 cities and is based on available broadcast data and is not available in all areas. Reports provided based on your vehicle's current location (within a 5-mile radius) or along any of up to five regular commutes that you program at the Tele Aid website. Route Assistance is limited to available digitized map data which does not include all areas or routes within area.

# Mercedes-Benz Navigation Update Service<sup>9</sup>

The world is changing every day.

▶ The Mercedes-Benz Navigation System is an in-dash console that combines Global Positioning System (GPS) technology with detailed electronic maps to allow you to plan trips, navigate detours, and help prevent you from getting lost. (Vehicle location is determined by the GPS system.)

The system covers more than 4.6 million miles of navigable roads in the 48 contiguous United States, plus Hawaii and Canada.

The Navigation System also offers 1.6 million Points Of Interest in 40 categories including ATMs, hospitals, hotels, airports, museums and more.

## NavUpdate

Your Mercedes-Benz Navigation System relies upon a detailed electronic map to guide you to your destinations and help you find the services and attractions that you need and want in your daily life.

But things are constantly changing out there. Roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data is updated every year. That is why Mercedes-Benz makes new, updated navigation data available to ensure that you always have the most current navigation information.

<sup>9</sup> Navigation system data represents the 48 contiguous United States, plus Hawaii (Oahu only) and Canada. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place.

# iPod® Integration<sup>10</sup>

Your music. Your Mercedes-Benz.

Taking your personal music collection with you wherever you go has never been easier. Mercedes-Benz now offers seamless integration of your iPod into the audio system of your S-Class. With an interface that is compatible with any dock-connector equipped iPod device, your iPod charges even while playing.

Steering wheel controls and a visual display of the track information make your iPod a perfect fit with your Mercedes-Benz.

| Available as of 2nd quarter 2006 |

## Control your iPod via steering wheel buttons:

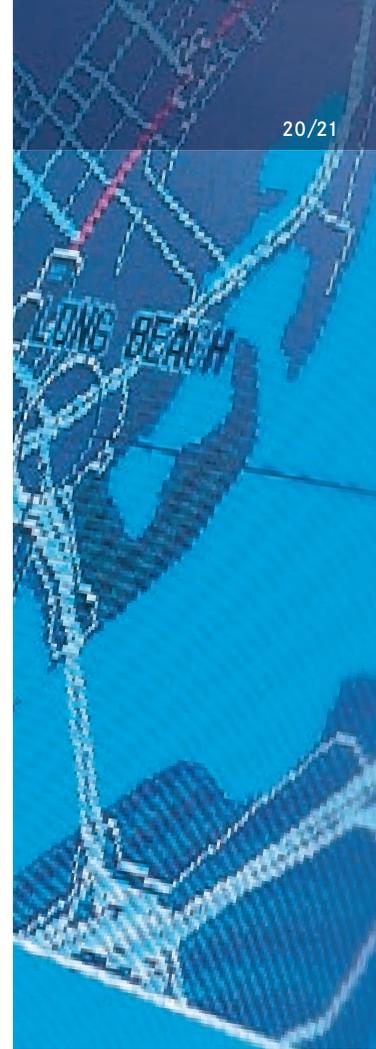

- Navigate within the current iPod music menu, Fast-Forward and Rewind
- Volume control, Select, Change menu
- Display of current iPod selection

UTILITY & CARE

#### **Roof Rack Basic Carrier**

Our basic carrier is an essential component for attaching a wide assortment of items to the top of your S-Class. After easy installation, you can securely attach and lock bicycles, ski and snowboard racks, or a cargo container. (Racks and containers sold separately.)

**If it's part of your life, it can be part of your Mercedes.**

A season's worth of flowers one day, a week's worth of groceries the next... bikes for a ride up the mountain, skis for the trip down. Mercedes-Benz offers a range of utility accessories to help you haul it, manage it, and organize it. If it's part of your life, there's a place for it in your S-Class.

And Mercedes-Benz care accessories help you maintain that showroom appearance... or restore it after all those flowers and bike trips and skiing excursions...

Exquisite form. Indispensable function. In your S-Class, there is no reason to settle for anything less.

#### **Basic Carrier Storage Bag**

Protect your Roof Rack Basic Carrier in this nylon bag when not attached to your S-Class.

### Roof Cargo Containers

Create additional space for sports equipment and luggage with one of our aerodynamic, high-quality roof containers designed to nicely complement your S-Class. Constructed of lightweight, yet exceptionally durable, impact-tested thermoplastic material. Features pressurized struts for easy lid operation and a security lock. Comes in silver finish, which may be painted to match the body of your S-Class.

Small model holds 11.5 cubic feet. Medium model holds 14 cubic feet. Large model holds 16 cubic feet. All models have a maximum load capacity of 110 lbs. Requires Roof Rack Basic Carrier (sold separately).

### Ski Rack Insert

Securely hold up to three pairs of skis and poles with this rack. Designed for use in our Small Roof Cargo Container (sold separately).

### Luggage Set for Roof Cargo Container

This set of four sporty and functional bags is designed to fit inside our Small or Large Roof Cargo Containers (sold separately). Made from durable, weather-resistant materials. Shoulder straps included.

## UTILITY & CARE

#### **Ski & Snowboard Rack – Deluxe**

This rack holds up to six pairs of skis or four snowboards and features a pull-out function that makes for easier loading and unloading without the need to reach across the roof of the car. Requires Roof Rack Basic Carrier (sold separately).

#### **Ski & Snowboard Rack – Standard**

This rack is made to tote up to four pairs of skis or two snowboards atop your S-Class. Requires Roof Rack Basic Carrier (sold separately), which can accommodate two Ski & Snowboard Racks.

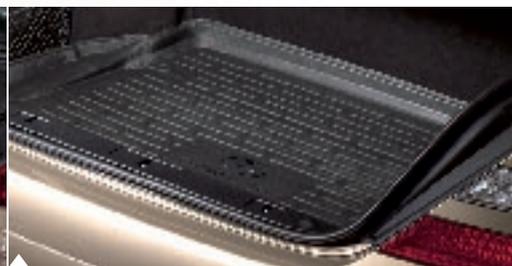

#### **Floor Net**

Versatile and convenient, these strong and durable nylon nets help you to more safely secure objects in your trunk compartment.

#### **Collapsible Shopping Crate**

Make your next trip to the market more convenient with this collapsible shopping crate. To save space, it folds flat when not in use. Dimensions folded: 2 x 13 x 18".

#### **Cargo Area Tray**

Protect the floor of your trunk with this durable, easy-to-clean plastic insert with 2" sides. Formed to perfectly fit the trunk cargo area of the S-Class.

### **Bicycle Rack**

This rack securely holds a single bicycle and attaches to the Roof Rack Basic Carrier (sold separately). Up to four bicycle racks may be supported on the Roof Rack Basic Carrier. Bicycles may be mounted to the rack before affixing to the carrier (above right). Lock set available (sold separately).

### Car Care Kit

Cleans, restores and protects. Includes seven specialty products, 3.5-gallon bucket with convenient mesh pocket skirt for storage, car care manual and two reusable applicator pads. Products: Leather Seat Care, Interior Care, Quick Wipe, Paint Cleaner, Paint Care, Car Shampoo and Wheel Care; all formulated exclusively for Mercedes-Benz by Meguiar's.

### Wheel & Tire Care Kit

Keeps wheels and tires looking their best. Includes our unique, richly formulated Tire Care gel for long-term prevention of tire discoloration and dulling, plus our high-performance Wheel Care formula to help dissolve brake dust and road grime. Equipped with an ergonomically designed wheel brush to reach hard-to-clean areas without scratching painted surfaces. Stows together in a durable, zippered case.

### Leather Chamois

Soft, pliable and absorbent leather to gently wipe away water without leaving streaks or water marks on your S-Class.

### Sheepskin Washmit

Thick, 100% Merino wool pile helps apply car shampoo, capture dirt and grime, and reduce paint surface scratches. Large shape and elasticized wrist comfortably accommodates all hand sizes.

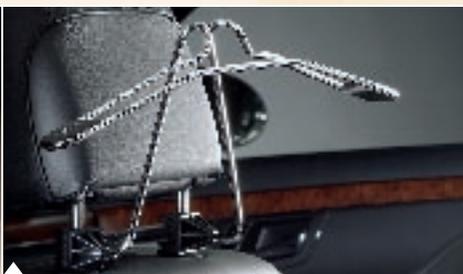

### Battery Trickle Charger

For those extended periods when your S-Class has not been used, this charging device will help ensure that your battery is fully energized when you need it.

### UVS-100™ Sunshade

Think of it as SPF 100 for your dashboard. Helps prevent sun damage to the interior while keeping the inside cooler. Practical and durable. Made of reflective fabric laminated to a foam core.

### Coat Hanger

Robust coat hangers made from chromed metal and plastic. Easy to fit to front head rests. The ideal way to transport items of clothing without creasing them. | Delayed availability |

### Sheepskin Seat Inserts

Cool in the summer and warm in the winter, these sheepskin seat inserts are tailored to the front seat to provide an excellent fit and long-term comfort. Set of two. Available in Black, Beige or Grey.

### All-Season Floor Mat Set

These custom-designed rubber floor mats are a great way to keep the carpet in your S-Class in top condition. Deep channels trap water, mud and melting snow. Easy to clean. Four mats per set. Available in Black, Beige or Grey.

LIFESTYLE  
COLLECTION

**Mercedes-Benz doesn't have to end in the driveway...**

For many, the Mercedes-Benz experience touches every part of their lives. The elegant styling and smooth flowing lines apply to more than your S-Class, they apply to the things you want around you and the way you live your life.

Like the Lifestyle Collection, the Mercedes-Benz lifestyle is many things to many people. Products for your travels, for your home, and for your wardrobe... the Lifestyle Collection offers a variety of items that accessorize your lifestyle with a distinctive Mercedes-Benz flair.

◀ **Mercedes-Benz Hobo Bag**

Make a fashionable statement with the Hobo Bag designed exclusively for Mercedes-Benz. The bag incorporates a gondola style zip closure and includes contrast stitching with Mercedes-Benz signature nickel hardware. The interior offers nylon lining with accessory zip pocket.

**Thermo Tumbler**

For most, the thrill of driving a Mercedes-Benz is adrenaline enough. But for those who need a little jolt of caffeine as they drive, this sleek black tumbler is the perfect traveling companion. The high-gloss metal top features a thumb slide closing lid. Double wall construction using stainless steel liner. 16 oz. capacity. (Not dishwasher safe).

### Umbrella

This classic umbrella features a rich wooden handle, lotus design, and a dirt-repellent woven polyester fabric with a subtle pattern. Suitable for the umbrella holder in the trunk of the S-Class.

### Money Clip

They say that holding onto your money is the real trick. This money clip helps you do it in style. Magnetized to hold paper currency. Black leather with a hand-polished, sterling silver star logo. (Not for use with credit cards or card keys).

### U-Style Spinner Key Ring

Now, whether your keys are dangling from the ignition or jingling in your pocket, they will be an undeniable part of your Mercedes-Benz. The center medallion spins showing the Three-Pointed Star on one side and the Mercedes-Benz engraved logo on the other. Milled brass with a spring loaded mechanism to easily add keys and hold them securely.

### Dress Watches

These elegant timepieces for men and women feature sleek, exciting lines, a polished stainless steel case, richly textured leather strap, and a matte black dial. The Mercedes-Benz logo is engraved on the back. Each arrives in a custom designed gift box. Water-resistant to 165 ft.

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories.
