

# Genuine Mercedes-Benz Accessories

## M-Class

Mercedes-Benz

## Some things in life are worth a closer look

If you're the owner of a Mercedes-Benz M-Class, there is a good chance that you appreciate, perhaps more than most, the value of products that combine the best attributes of both form and function. The M-Class exemplifies this concept, with its dynamic on-road handling, benchmark-setting on-road performance and multi-purpose utility—all superbly integrated in a beautiful rendition of contemporary Mercedes-Benz design.

Genuine Accessories from Mercedes-Benz follow this concept. Our engineers have designed an array of products to customize or extend the utility of your M-Class. All accessories are purpose-built to the same uncompromising technical, reliability and appearance specifications we commit to deliver on everything bearing the Three-Pointed Star. Whether it be a 6-twin-spoke alloy wheel, rear-seat entertainment system or a cargo management product, you are assured that accessories from Mercedes-Benz will meet your expectations for quality, performance and design.

With this brochure we invite you to take a closer look at the wide range of automotive and personal accessories developed for the M-Class, available to you exclusively through authorized Mercedes-Benz dealers.

## Genuine Mercedes-Benz Accessories for the M-Class

On the following pages you will find a lot of options to help make your M-Class meet your needs.

Take for instance the ► **LARGE ROOF CARGO CONTAINER**. Its shape has been optimized in extensive wind tunnel tests. That's why its aerodynamic shape blends so perfectly with the design of your already spacious M-Class, while providing an additional 16 cubic feet of storage space.

Or take the ► **FURUD 20" 5-SPOKE ALUMINUM ALLOY WHEEL** featured on this page. You'll find this stunning wheel and many other distinctive accessories specifically designed for the M-Class throughout this brochure.

APPEARANCE

Nothing can change your vehicle's appearance quite as dramatically as its wheels. That's why we developed several dynamic wheels that accentuate the contemporary styling of the M-Class. Genuine Mercedes-Benz accessory wheels conform to the same high-quality standards for safety, durability and function as their factory-standard counterparts. They resist corrosion and are designed to deliver optimal performance for the M-Class, while giving your vehicle a more custom appearance.

#### Alrai | 19" 6-Spoke Wheel<sup>1</sup>

Finish: sterling silver

Wheel Size: 8.5 J x 19 ET 60

Tire Size: 255/50 R19

Option for rear axle:

Wheel Size: 9.5 J x 19 ET 56

Tire Size: 285/45 R19

#### Furud | 20" 5-Spoke Wheel<sup>1</sup>

Finish: sterling silver

Wheel Size: 8.5 J x 20 ET 60

Tire Size: 265/45 R20

Accessory wheels are only for specified tire sizes and may require use of wheel bolts other than those originally supplied with your vehicle. Failure to use proper equipment could result in an accident or vehicle damage.

See your authorized Mercedes-Benz dealer for details and installation.

Not compatible with snow chains. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles.

### Tire Valve Stem Caps

A perfect finishing touch, these chrome-plated solid ABS valve stem caps dress-up any wheel. Each a set of four. Available in black, silver or AMG designs.

### Wheel Locking Bolts

Wheel locks can provide a subtle yet effective security touch to your M-Class, helping to protect your light-alloy wheels and tires from theft. One set secures four wheels. Includes coded key.

### Wheel Hub Inserts

Add an attractive finishing touch to your wheels with these inserts. Various styles available:

Classic Star & Laurel design in blue | Left |  
 Classic Star & Laurel design in black | Not shown |  
 Silver with chrome Three-Pointed Star | Center |  
 Titanium silver with chrome Three-Pointed Star | Right |  
 Standard silver Three-Pointed Star | Not shown |

### Rukbat | 19" 6-Twin-Spoke Wheel<sup>1</sup>

Finish: sterling silver

Wheel Size: 8 J x 19 ET 60

Tire Size: 255/50 R19

### 19" 5-Spoke Wheel<sup>1</sup>

Finish: chrome

Wheel Size: 8 J x 19 ET 60

Tire Size: 255/50 R19

### Style VI | 20" AMG 5-Spoke Wheel

Finish: high-sheen

Wheel Size: 10 J x 20 ET 46

Tire Size: 295/40 R20

<sup>1</sup> Not for ML 63 AMG.

APPEARANCE

### Roof Spoiler

Enhance the sporty character of your M-Class with this sleekly sculpted rear spoiler. Tailor-made of high-quality material for quick installation and a perfect fit. Comes primed, ready for painting.

### License Plate Frames [A]

Choose from several quality stainless steel designs in an assortment of durable finishes to enhance the appearance of your license plates without blocking registration tags. Design styles include: Mercedes-Benz frame, Slimline frame, AMG Logo frame, and Star Marque solid plate. Please see *INDEX* for finish options for each design.

### Front Skid Plate/Rear Skid Plate

Help protect the underside of your M-Class from road debris and rocks in style with our rugged, exceptionally attractive, polished stainless steel skid plates. Front plate is a striking complement to our Chrome Tubular Steel Grille Guard (sold separately). Front and rear skid plates sold individually. | Front skid plate see page 6 | Not for ML 550 or ML 63 AMG.

### AMG Tailpipe

Complement to the AMG body styling. Chrome tailpipe with AMG lettering. Suitable for all models. Can be fitted in conjunction with the AMG rear apron or the standard rear apron.

[A]

[B]

### Trunk Handle [B]

Made of stainless steel in polished or satin finish, this handle attaches to the license plate to help prevent fingerprints and reduce the possibility of scratching the finish on your M-Class.

### **Chrome Tubular Steel Grille Guard**

Give your M-Class an aggressive look with this rugged polished stainless steel grille guard. Factory-designed to structurally integrate perfectly into the front end of the M-Class.

Not for ML 550 or ML 63 AMG. Not for vehicles with Parktronic (audio-visual parking assistance system). Consumers are advised to confirm in advance with the motor vehicle authority in the state where their M-Class is registered if the grille guard bars comply with licence plate mounting and visibility requirements.

APPEARANCE

#### **Tubular Steel Side Step Bars**

Use these polished heavy-duty stainless steel side step bars to ease entry and egress, or simply to enhance the profile of your M-Class. Features integrated rubber-lined steps and a snug fit to the contours of the vehicle.

Not for ML 550 or ML 63 AMG.

#### **Chrome Door Handle Inserts**

Help protect your finish from scratches and add a touch of style with a set of four chrome door handle inserts.

#### **Blue Illuminated Door Sills**

Light-up your M-Class in eye-catching style each time you open the front door with these luminous blue-colored "Mercedes-Benz" stainless steel door sills. Available with black, grey or beige trim colors to coordinate with your vehicle. | Available for front door sills only |

#### **Wood & Leather Steering Wheel**

Add a touch of distinctive elegance to your M-Class with this multifunction steering wheel, made from durable richly-grained leather and hand-burnished burl walnut wood. Black, grey or beige leather available.

Not in conjunction with Heating Package.

# Mercedes-Benz Navigation Systems<sup>2</sup>

More than a map.™

► Solutions that take the worry out of finding your way.

The fully integrated Mercedes-Benz COMAND Navigation System<sup>3</sup> or the full-featured Mercedes-Benz Portable Navigation Solutions – which can be relocated for use in multiple vehicles or other recreational vehicles – can help you plan trips, navigate detours and help you find your way.

Access maps that cover millions of miles of roads in the United States and Canada. Choose from a vast section of Points of Interest in numerous categories including Shopping, Restaurants, Gas Stations and ATMs.

Mercedes-Benz has a solution for almost any navigation requirement.

## Navigation Map Update<sup>2</sup>

Your Mercedes-Benz Navigation System relies upon a detailed electronic map to guide you to your destinations and help you find the services and attractions that you need and want in your daily life.

But things are constantly changing out there. Roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data is updated every year. That is why Mercedes-Benz offers updated navigation data available for purchase from your authorized Mercedes-Benz dealer to help ensure that you always have current navigation information.

*Mercedes-Benz Portable Navigation Solutions: ask your dealer how they can help you find your way in unfamiliar territory.*

<sup>2</sup> COMAND Navigation system data represents the 48 contiguous United States, plus Hawaii (Oahu only) and Canada. Portable Navigation Devices system data may represent the 48 contiguous United States and Canada excluding Alaska and Hawaii. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your dealer for details.

<sup>3</sup> Also available as dealer installed.

# Interfaces for Hands-Free Communication System<sup>4</sup>

Keeping you in touch.

▶ The Mercedes-Benz Hands-Free Communication System offers state-of-the-art communications technology with the engineering expertise of Mercedes-Benz.

Unlike conventional systems, the Hands-Free Communication System seamlessly integrates into your vehicle and is engineered by Mercedes-Benz to provide optimum reception and sound quality while helping you keep your eyes on the road and your hands on the wheel.

The Hands-Free Communication System is available with a selection of factory option packages offering two ways to take advantage, based on how you use your mobile phone.

## Telephone Cradle<sup>5</sup>

With the Telephone Cradle, your phone is stored securely out of the way, it is continually charged so you never have to worry about a depleted phone battery in the car, and it links to an external antenna to provide the best possible reception when placing or receiving a phone call.

There are Telephone Cradles available to accommodate a selection of popular mobile phones for most major carriers.

## Bluetooth Interface Module<sup>5</sup>

With Bluetooth technology select phones can be connected wirelessly with the Hands-Free Communication System. You can keep your phone on your belt, in your purse... wherever it's convenient. Bluetooth supports hands-free audio and a variety of call handling functions. Select phones are supported by dedicated "Hybrid Cradles" offering similar functions as the Bluetooth Module with charging functionality and integration with the vehicle's external antenna.<sup>6</sup>

*Regardless of the option that you choose for the Hands-Free Communication System, the experts at Auto Wireless Solutions can help you choose the right phone for your lifestyle and for your M-Class. For a current list of compatible phone models, visit AWS at [www.Wireless4MB.com](http://www.Wireless4MB.com) or call Auto Wireless Solutions at 1-800-910-1021 to speak to an advisor.*

<sup>4</sup> Always plug an approved phone into the cradle for use inside the vehicle or use the approved Bluetooth interface. Otherwise operating a phone or radio transmitter with its own attached or built-in antenna while the engine is running can interfere with the vehicle's electronic systems. For safety reasons, the driver should not use the cellular phone while the vehicle is in motion. We encourage the driver to stop the vehicle in a safe location before answering or placing a call. See your Mercedes-Benz dealer for current handset availability.

<sup>5</sup> Telephone Cradle and Bluetooth Interface Module are sold separately and offer a one year warranty. Bluetooth application for approved phones only.

<sup>6</sup> Please see dealer for details about specific cellular handsets compatible with hybrid cradles.

## iPod® Integration<sup>7</sup>

Your music. Your Mercedes-Benz.

Taking your personal music collection with you wherever you go has never been easier. Mercedes-Benz offers seamless integration of your iPod into the audio system of your M-Class. With this interface that is compatible with nearly any iPod, your iPod charges even while playing.

Steering wheel controls and a visual display of the track information make your iPod a perfect fit with your Mercedes-Benz.

An optional black felt-lined cradle holds your iPod in the glovebox. The soft flocked surface blends perfectly into the glovebox protecting your iPod against scratches and damage.

### Control your iPod via steering wheel buttons:

- Navigate within the current iPod music menu, Fast-Forward and Rewind
- Volume control, Select, Change menu
- Display of current iPod selection<sup>8</sup>

### CD Changer

Compact and convenient changer for up to 6 CDs. Plays conventional audio CDs and CDs with MP3 format audio files.

<sup>7</sup> iPod is a product of Apple Computer. All iPod devices are sold separately.

<sup>8</sup> Illustration representative of actual dashboard display.

# Rear-Seat Entertainment System<sup>9</sup>

Being a passenger has never been so entertaining.

Who's riding in your back seat? Your kids' favorite superhero, a dashing leading man, or maybe it's your favorite comedienne? With the Mercedes-Benz Rear-Seat Entertainment System, you can bring along your favorite DVDs and your back seat becomes your own personal movie theater.

Your passengers are entertained and because DVD audio plays over wireless headsets, the driver can concentrate on driving with fewer distractions.

The Mercedes-Benz Entertainment System includes:

- ▶ A state-of-the-art DVD player mounted under the seat to protect it from everyday wear and tear
- ▶ A high-resolution 7" LCD color display that conveniently folds down when not in use for additional security
- ▶ A specially designed, child-friendly remote control featuring a sliding cover that exposes key buttons such as Play, Pause, Rewind, and Fast Forward. Picture quality controls and other advanced user options remain covered
- ▶ Two high-quality wireless headsets for tangle-free operation and easy storage
- ▶ Auxiliary jack enables the use of gaming devices (gaming hardware not included)

The Entertainment System supports movies in DVD format and music in CD, DVD, and MP3 formats.

**SOS Button**

*In case of an emergency, push the SOS Button for a Tele Aid Response Specialist who can notify police, paramedics or other emergency personnel of your vehicle's location. SOS is automatically triggered in the event of an airbag or seat belt emergency tensioning device deployment.*

<sup>9</sup> Mercedes-Benz recommends that children be supervised while using the system.

Headphones

Remote-Control

# Tele Aid<sup>10</sup>

Choose the Tele Aid package that fits your lifestyle.

► **Mercedes-Benz doesn't think that you should have to face any of life's surprises — big or little — alone. That's why we've included Tele Aid as standard equipment in every M-Class. Tele Aid can serve as your lifeline, your co-pilot, even your full-time personal assistant.**

Tele Aid is a collection of services designed to keep you connected when you are in your vehicle. Tele Aid puts a variety of services at your fingertips with three simple buttons: SOS Button, the Wrench Button, and the i-Button. Touch one and you can contact a Tele Aid Response Specialist who is ready to assist in every way.

When you subscribe, you can choose between Tele Aid Security & Care; a package that brings an extra measure of security and peace of mind to your travels, or Tele Aid Luxury & Convenience; an additional cost premium package that offers you a genuine sense of ease and comfort that you've come to expect from Mercedes-Benz.

## ***i-Button***

*Push the i-Button to contact the Customer Assistance Center or to be connected to your preferred Mercedes-Benz dealer. You can also reach the Concierge Service, receive Route Assistance and Traffic Information.<sup>12</sup>*

## ***Wrench Button***

*If you need Mercedes-Benz Roadside Assistance, push the Wrench Button. Service personnel will help you identify the trouble and if necessary dispatch Roadside Assistance.*

## **Tele Aid Security & Care<sup>10</sup>**

Tele Aid Security & Care enhances your sense of security by providing:

- Emergency notification services
- Direct connection with Roadside Assistance
- Remote Door Unlock
- Stolen Vehicle Recovery
- Anti-Theft Alarm Notification
- and more.

With an active Tele Aid subscription, you may be eligible for a discount from your insurance provider.<sup>11</sup>

## **Tele Aid Luxury & Convenience<sup>12</sup>**

The Tele Aid Luxury & Convenience package builds on the services of Tele Aid Security & Care and adds access to premium services that enhance your in-vehicle experience.

► Personal Concierge acts as your personal assistant on the road. Fulfilling your requests for nearly "anything, anytime, anywhere"... at the touch of a button. You can also use the Online Concierge, which allows you to access your Personal Concierge via your computer, your PDA or anywhere you have Internet access.

► Traffic Information provides full metro traffic reports within 30 miles of your location, metro street traffic, programmable radius and commute traffic along your route.<sup>13</sup>

► Route Assistance connects you to a trained specialist who has the resources to locate and help you to get to your destination.

<sup>10</sup> The first year's basic Tele Aid Security & Care package is provided at no additional cost. Subscription and acquaintance call required for system to be active. Service operates only where cellular and Global Positioning Satellite System coverage is available. See your dealer for details. Owner must authorize vehicle tracking by providing passcode and a valid stolen vehicle police report number. PIN code required to activate Remote Door Lock and Unlock.

<sup>11</sup> Many insurance carriers offer comprehensive premium reduction for Mercedes-Benz vehicles with an active Tele Aid subscription. Check with your insurance carrier to see if you qualify for an insurance premium discount. Rates and eligibility may vary.

<sup>12</sup> Concierge service available only in Tele Aid Luxury & Convenience package. Traffic Information, Point Of Interest Download, Destination Download, and Route Assistance use are included as part of Tele Aid Luxury & Convenience package at no additional cost, and are available at additional per use charge when used with Tele Aid Security & Care package.

<sup>13</sup> Traffic information is available in over 100 cities and is based on available broadcast data and is not available in all areas. Reports provided based on your vehicle's current location (within a 5-mile radius) or along any of up to five regular commutes that you program at the Tele Aid website. Route Assistance is limited to available digitized map data which does not include all areas or routes within area.

**1** ▶ Roof Cargo Container, Large [P. 26] | **2** ▶ Roof Rack Basic Carrier [P. 27] | **3** ▶ Roof Spoiler [see chapter *APPEARANCE* P. 10]

UTILITY & CARE

**Hitch-Mounted Bicycle Rack<sup>14</sup>**

This bicycle rack includes numerous updated design features to keep one or two bikes secure and your M-Class protected against damage. One innovative feature allows secured bicycles to pivot for cargo area access (pictured). Requires Trailer Hitch (sold separately).

Not for vehicles with Parktronic (audio-visual parking assistance system).

**Hitch-Mounted Bicycle Rack Extension Kit (not shown)**

Allows a third bicycle to be mounted to a pre-existing Mercedes-Benz bicycle rack.

- 14 Bicycle rack not intended for driving when horizontally pivoted.
- 15 In some states, aftermarket trailer brakes are required. See dealer for details.
- 16 Not for AMG models or vehicles with AMG bodystyling. Front Mud Flaps cannot be installed with Side Running Boards.

▲ The M-Class opens up countless possibilities for exceptional highway cruising comfort and practical everyday use around town.

These pages contain a wide selection of products that provide solutions for your particular needs.

For instance, we offer bicycle carrier systems that mount either on the roof or to a trailer coupling. Or choose among the various other cargo racks for your sports equipment and luggage.

#### Battery Trickle Charger

For those extended periods when your M-Class will not be used, this charging device will help ensure that your battery is fully energized when you need it.

#### Trailer Hitch<sup>15</sup>

Take advantage of your M-Class' considerable hauling capacity with our Class III trailer hitch, capable of towing up to 5,000 lbs. Designed especially for Mercedes-Benz with a corrosion-resistant surface treatment.

#### Mud Flaps<sup>16</sup>

Designed to match the contours of the M-Class, these durable formed black plastic mud flaps will help protect your vehicle and followers from some loose road debris, rocks and the corrosive effects of salty road spray. | Available in pairs for the front and the rear |

[LARGE]

[SMALL]

[MEDIUM]

### Roof Cargo Containers

Create additional space for sports equipment and luggage with one of our aerodynamic, high-quality roof containers designed to nicely complement the M-Class. Constructed of lightweight, yet exceptionally durable, impact-tested thermoplastic material. Features pressurized struts for easy lid operation and a security lock. Comes in silver finish, which may be painted to match the body of your M-Class. Small model holds 11.5 cubic feet. Medium model holds 14 cubic feet. Large model holds 16 cubic feet. Requires Roof Rack Basic Carrier (sold separately).

Always comply with vehicle maximum load requirements. See Vehicle Operator's Manual for details.

[STANDARD]

[DELUXE]

### Ski & Snowboard Rack

The standard rack is made to tote up to four pairs of skis or two snowboards atop your M-Class. The deluxe version holds six pairs of skis or four snowboards and features a pull-out function that makes for easier loading and unloading without the need to reach across the roof of the car.

Both versions require Roof Rack Basic Carrier (sold separately), which can accommodate two Ski & Snowboard Racks.

### Luggage Set for Roof Cargo Container

| for Roof Cargo Container Large |

Four bags plus two matching ski bags, designed to make perfect use of the space available in the roof box. Made from durable, weather-resistant materials. (Ski bag also available separately, each designed to hold max. two pairs of skis.)

### Luggage Set for Roof Cargo Container

| for Roof Cargo Container Small |

This set of four sporty and functional bags is designed to fit inside our Small Roof Cargo Containers (sold separately). Made from durable, weather-resistant materials. Shoulder straps included.

### Ski Rack Insert

Securely hold up to three pairs of skis and poles with this rack. Designed for use in our Small and Large Roof Cargo Container (sold separately).

### Roof Rack Basic Carrier Storage Bag

Protect your Roof Rack Basic Carrier in this nylon bag when not attached to your M-Class.

### **Roof Rack Basic Carrier**

Our basic carrier is an essential component for attaching a wide assortment of items to the top of your M-Class. After easy installation, you can securely attach and lock bicycle, ski or snowboard racks, or a cargo container. Racks and containers are sold separately.

### **Bicycle Rack**

This rack securely holds a single bicycle and attaches to the Roof Rack Basic Carrier (sold separately). Up to three bicycle racks may be supported on the Roof Rack Basic Carrier. Bicycles may be mounted to the rack before affixing to the carrier. Lock set available (sold separately).

UTILITY & CARE

### **Integrated Cargo Management System**

Designed specifically for the M-Class, this piece of equipment has been cleverly engineered to partition your cargo area. It seamlessly integrates with existing mounting points in the vehicle. Once installed, the strong, lightweight aluminum netframe can be quickly secured into one of several positions to divide the space vertically, or horizontally to create a shelf. A system of elastic nets, bands and rubber hooks provides many options for securing cargo. The netframe is easily removed from the vehicle when desired.

### **Cargo Area Tray & Cargo Box**

Protect the cargo area of your M-Class with this large tray with 2" sides. Formed from durable, easy-to-clean plastic to fit your vehicle. Use up to two optional cargo boxes to support and keep in place tall objects, such as grocery bags. Cargo box sold separately.

### **Nets, Floor/Side/Rear**

Versatile and convenient, these high-strength nylon nets will help secure objects in your M-Class cargo area behind the rear seats, along the sides and over the floor. Each net is sold separately.

### **Wire Mesh Dividers**

Versatile and sturdy, these three metal dividers easily partition the cargo area of your M-Class from the passenger space or in half side-to-side. Attaches to existing mounting points in the vehicle. Top, bottom and lateral dividers (each sold separately).

### **Cargo Divider Net**

Separate the passenger and cargo areas of your M-Class with this sturdy yet lightweight net. Easily installed or removed, and fits neatly behind the front or second-row seats.

### **Collapsible Shopping Crate**

Make your next trip to the market more convenient with this collapsible shopping crate. To save space, it folds flat when not in use. Dimensions folded: 2 x 13 x 18".

#### Loading Sill Protector

Protect the loading sill of your M-Class with this scratch-resistant cover. Coordinates nicely with chrome accessories.

Standard on ML 350 and ML 320 CDI.

#### Reversible Cargo Mat

This non-slip mat pulls double duty to protect the interior carpet of your M-Class with a smooth, grippy side and a soft fabric side. Fabric side available in black, grey or beige. Easily converts to one of four configurations. Constructed of highly durable 100% polyester.

UTILITY & CARE

**Baby Safe Plus Infant Child Safety Seat (up to 29 lbs.)**

Deep, molded rear-facing seat design provides extra protection and padding designed to help protect very young children up to 29 lbs. or 31 in. long. Features integrated head support, adjustable sun/wind canopy, comfortable 3-position carry handle, and variable recline angle adjustment. Light grey fabric cover is removable for washing. Can be used in the vehicle with or without the base. Approved for use in commercial aircraft. Weighs less than 8 lbs. This seat is LATCH compatible with provided LATCH belt.

**DuoPlus Toddler Child Safety Seat (20-40 lbs.)**

Designed to afford excellent protection for children approximately 1 to 4 years of age. Features include one-handed adjustment to change from the upright position to the reclined and sleeping positions, height-adjustable shoulder belt, back area ventilation channels, and an additional tether for securing the top of the seat. Fabric cover is removable for washing. This seat is LATCH compatible.

#### **KID Booster Child Safety Seat (40-79 lbs.)**

Any child who has outgrown the Toddler seat should be properly secured in a booster seat until he or she is at least 57" tall. KID Booster seat features a height and angle-adjustable backrest and headrests that can be positioned for comfort. Integrated belt guides on the sides help to keep the lap belt from sliding over the child's abdomen where it could cause injury in an accident. Fabric cover is removable for washing.

#### **Sheepskin Seat Inserts**

Cool in the summer and warm in the winter, these sheepskin seat inserts are tailored to the front seat to ensure a perfect fit and long-term comfort. Available in black, grey or beige. | Set of 2 |

#### **Rear-Seat Cover**

This durable rear-seat cover is made of high-strength polyester with a vinyl backing. So, whether you're carrying wet gear or your four-legged best friend, your M-Class is protected.

#### **All-Weather Floor Liners**

Designed specifically to match the precise contours of the floor of your M-Class, these quality flexible plastic floor liners feature high sides to contain dirt and liquids for the best possible carpet protection. Set includes four tailored floor liners. Available in black, grey and beige.

#### **All-Season Floor Mat Set**

These custom-designed rubber floor mats are a great way to keep the carpet in your M-Class in top condition. Deep channels trap sand, mud and melting snow. Easy to clean. Available in black, grey or beige. | Set of 4 |

## UTILITY & CARE

#### **UVS-100™ Sunshade**

Keeps the inside of your M-Class cool, while protecting the interior all year long from harmful UV rays. Practical and durable. Made of reflective fabric laminated to a foam core.

#### **Car Cover**

This UV-resistant 3-layer cover helps protect the finish of your M-Class from the elements. Made from breathable Noah® fabric, it combines an excellent fit with durable construction. Lock and cable available separately.

# Mercedes-Benz Car Care

Maintain and protect your investment.

32/33

## Car Care Kit

Cleans, restores and protects. Includes seven specialty products, 3.5-gallon bucket with convenient mesh pocket skirt for storage, car care manual and two reusable applicator pads. Products: Leather Seat Care, Interior Care, Quick Wipe, Paint Cleaner, Paint Care, Car Shampoo and Wheel Care; all formulated for Mercedes-Benz by Meguiar's.

## Leather Chamois

Soft, pliable and absorbent leather to gently wipe away water without leaving streaks or water marks on your M-Class.

## Sheepskin Wash Mitt

Thick, 100% Merino wool pile helps apply car shampoo, capture dirt and grime, and reduce paint surface scratches. Large shape and elasticized wrist comfortably accommodates all hand sizes.

UTILITY & CARE

1 ► Car Cooler [P. 37]

### Crystal M-Class Paperweight

A distinctive addition to any desktop, this crystal cube contains a laser-etched image of the M-Class and the Mercedes-Benz logo.

### ML Key Ring

Impressive combination of chrome-covered brass and Mercedes-Benz style. Design is a replica of the M-Class vehicle badging.

### M-Class Scale Models | W164

1:43, Iridium Silver, Pewter and Obsidian Black<sup>17</sup>  
Manufacturer: Minichamps

<sup>17</sup> Limited quantities of Pewter and Obsidian Black available.

The world of Mercedes-Benz includes more than just luxury performance vehicles. These pages spotlight personal accessories from the Lifestyle Collection that complement your M-Class.

**Diver's Watch**

Stainless steel case covered by anti-reflective mineral crystal. The glow-in-the-dark dial and the date feature are clearly legible in every situation—above or below water. Water-resistant to 330 ft. With robust plastic strap. Arrives in a gift box. Watch case 1.7"

Visit [accessories.mbusa.com](http://accessories.mbusa.com) to shop online or call 1-800-FOR-MERCEDES to obtain the Lifestyle Collection catalog.

**Mesh FlexFit® Cap**

Made from pleasantly light cotton. Mercedes-Benz logo embroidered on the front and Mercedes-Benz star embossed on the adjusting strap.

**Car Cooler**

Keep food and beverages cool in this insulated vinyl bag that can accommodate twelve soda cans and features handy integrated pull-down trays. Made of durable vinyl with an adjustable shoulder strap and rubberized handles. Secures conveniently to a seatbelt with the included Velcro attachment. Mercedes-Benz logo embroidered on the lid. Measures approx. 10.5 x 15".

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories. Speak with a representative at your local authorized Mercedes-Benz dealership for current pricing on Genuine Mercedes-Benz Accessories.
