Ravishing looks. Exquisite comfort. And the power to blister the pavement. There are endless reasons to covet the CLK-Class AMG Edition. In addition take advantage of \$5,200 in additional premium features that you'll enjoy at no added cost. Here are just a few of the highlights that make this model so mesmerizing. So completely irresistible.

IMPECCABLE STYLE

Feast your eyes on the CLK-Class AMG Edition. Take a moment to appreciate the aggressive AMG styling and that striking window silhouette. You'll notice there is no B-pillar – giving it its stunning sidelines and ensuring an unimpeded view of everything – including the road. You'll also appreciate the assertive AMG body styling, including front apron and air dam, flared side skirts and rear apron, and AMG trunk lid spoiler. From first glance, it's apparent that the CLK-Class AMG Edition is not for the trend-follower or faint of heart. It is, rather, styled with substance, radiating poise and assurance.

IRRESISTIBLE COMFORT

Captured your eye? Climb in and let it win your heart. Inside, we've created a world of lavish style and refined luxury with our dual-zone THERMATIC automatic climate control system¹ that adjusts the heating and cooling to keep you continuously comfortable. The CLK550 AMG Edition and CLK63 AMG are equipped with the upgraded THERMOTRONIC automatic climate control system to monitor sunlight intensity and moisture, while a sophisticated air filter removes dust and pollen. The fully electric, insulated soft-top on our Cabriolet models easily opens and closes in around 20 seconds. Our intuitively designed instrument panel, fine leather upholstery and climate-comfort front seats² will also impress. All in all, its interior appeals to all the senses.

UNRIVALLED ENGINEERING

Not only is the CLK's engine power impressive, its smoothness of ride is matched only by its agility. Take an exhilarating test drive and experience the full force of either its V-6 268 hp – or V-8 382 hp engine. With the Coupe, you can achieve 0 to 100 km/h in 5.2 seconds. The CLK-Class AMG Edition is also fitted with the 7G-TRONIC 7-speed automatic transmission for shorter and quicker shifts, leaving you in the best gear for any situation. Combine this with the modified springs, shock absorbers and torsion bar to allow for sportier driving styles without sacrificing comfort for you and your passengers. On the CLK63 AMG the 7G-TRONIC 7-speed automatic transmission includes AMG SPEEDSHIFT enhancements, letting you change gears 35% faster via aluminium gearshift paddles mounted to the steering wheel. Sheer bliss.

¹Standard on the CLK350 AMG Edition models. Not available on the CLK550 AMG Edition models and CLK63 AMG. ²Standard on the CLK63 AMG. Available as an option on all other AMG Edition models.

Meet the decathlete of the CLK-Class family.

The CLK63 AMG is a world-class sprinter, accelerating from a stand still to 100 km/h in just 4.7 seconds, courtesy of its hand-built 6.3 litre V-8 engine that produces 475 hp and 465 lb-ft of torque. There's a high-performance composite braking system to go along with a performance-tuned suspension. And the athletic build? It comes from the dynamic AMG Styling Package, including a sport exhaust with dual chrome tailpipes and AMG 18" 5-spoke wheels on staggered performance tires! Definitely one for the record books.

THE DETAILS WILL SET YOUR HEART RACING.

Pure power is nothing without refinement. Luxuriate in the ultra-luxurious AMG Nappa leather upholstery with soft Nubuck inserts, in your choice of rich Black or refined Basalt grey. Then sit back as the AMG sport seats cradle you and your front passenger with additional side bolsters in tight corners. An ergonomically designed sport steering wheel with shift paddles puts the reins of the engine in your hands. The specially crafted AMG instrument cluster with its AMG-exclusive menu includes a lap-bettering RACETIMER function – so you can track your own personal best. We've even finished the interior with brushed stainless steel door sills and gas and brake pedals. So even when you put your foot down, you'll do it with exceptional style.

Personal expression is everything.

The ultimate finishing touch is how you combine beautiful paint finishes with luxurious leather interiors. So carefully consider the perfect combination for your dream vehicle. Choose from a sophisticated palette of solid and metallic paint colours. All of which benefit from a scratch-resistant clear coat that guards them against the weather and driving conditions. So your perfectly coordinated CLK-Class AMG Edition will stay as sensationally head-turning as the day you brought it home.
