Genuine Mercedes-Benz accessories for your S-Class

Sublime begins with an S. And in the world of the car, no other letter of the alphabet conveys such supreme composure and inner calm.

In fact there's only one way you can improve on the superior vision that is the Mercedes-Benz S-Class. By adding a distinctive personal touch.

Maybe you've been smitten by the ► **18" 5-twin-spoke "Eridanus" inceno designer wheels**, pictured left. Perhaps you find yourself weighing up the practical benefits of the ► **Mercedes-Benz roof box**.

The choice is sublime – and it's all yours.

Mercedes-Benz iPod® Interface Kit*

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your S-Class's audio system.

The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and control the playback volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged.

The current status of your iPod appears in the central instrument cluster display, helping you to keep your attention focused on the traffic.

It's easy to control your iPod via the multifunction steering wheel:

- Select the iPod menu and scroll through the options
- Adjust the volume, playback
- Display current artist/title

New Alustyle basic carrier bars

The New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. Simply combine the New Alustyle basic carrier bars with a variety of different roof-mounted carriers. The basic carrier bars are precisely tailored to the body of your S-Class, ensuring the highest degree of safety and optimum aerodynamics

Travelling in the S-Class is one of the most satisfying ways there is of getting from A to B.

But it's important that your choice of vehicle doesn't compromise your choice of activities when you reach your destination. The genuine accessories from Mercedes-Benz shown here allow you to take along all the things you might need if you decide to take a break at any point on your journey – whether it's to go shopping, skiing or mountain biking.
